The Proven Secret for Amazon Results

This Guide Covers:

1. Why Most People Get Zero Results

Oftentimes, people follow a similar method of taking a course, and fail to get the results they are looking for. Those methods generally include:

- Watching or reading some material
- Doing your best to remember the key parts
- Only wind up doing the parts that you found to be the easiest and most comfortable
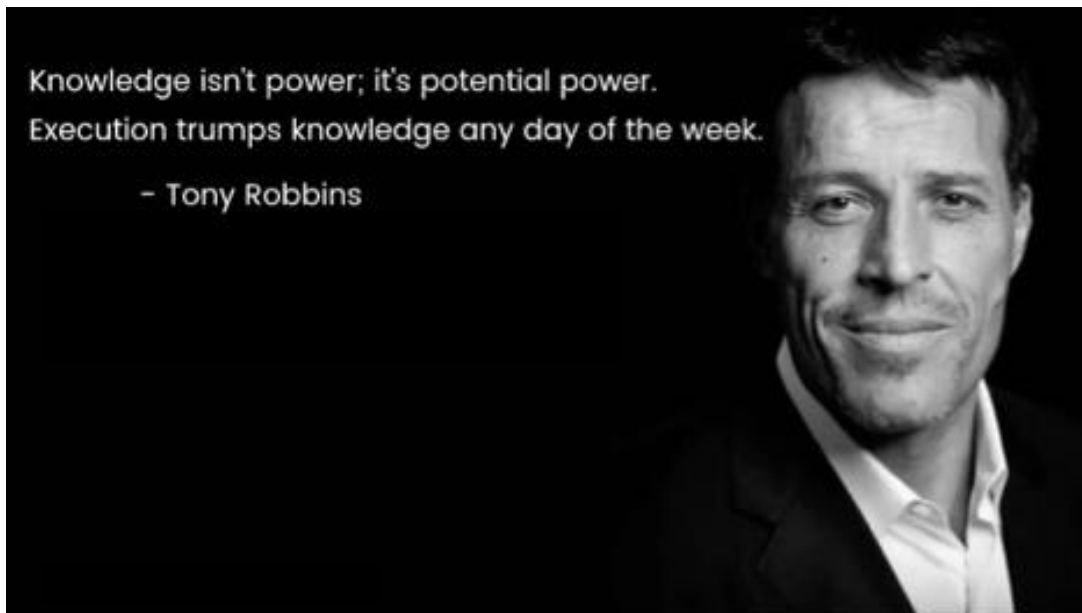

If this sounds familiar, or has happened to you, then it is time to break the cycle.

2. Do Something Different

TOS (The Online Startup) is not structured like most eBooks. So, what makes it different?

- It takes you step-by-step through each part of building a business.
- It is not designed to "teach," it is designed to deliver a profitable business for you to run.
- The entire process involves showing you exactly what to do and when to do it, then giving you the chance to complete each milestone before moving on to the next.
- At the conclusion of this eBook, you will have a **real live thriving business**, not just a bunch of information!

3. The Secret to Changing Your Life with This eBook

Knowledge isn't power; it's potential power.
Execution trumps knowledge any day of the week.

- Tony Robbins

Being successful with this ebook is not complicated—just make sure to follow these steps:

1. Read each step in the order presented.
2. When asked, complete **every single action before moving on to the next step.**

The overall process looks like this:

Learn > Implement > Learn > Implement > Etc.

Finally—always remember that you are **not just a spectator. You are a participant.** Taking action and implementing these steps are vitally important to the success of your business.

4.Start Getting Results in Less than Three Minutes

Taking action is a habit that you can and must build, even if it is uncomfortable. Like most things, it will become easier with time and practice.

Remember: Those who implement the fastest tend to win the most!
